

KHIE's system is undergoing a makeover

From Aug. 24 to Dec. 9, 2018, KHIE's system will be unavailable as we move to a new platform with increased functionalities. An Interim Portal will be available from Dec. 10 until the new platform is live in Spring 2019.

All data sent to KHIE before the transition and until the new platform is live will not be lost, and will be available again in the Interim portal. In the meanwhile, if you have any questions, please contact the Outreach Coordinator in your area [KHIE Outreach Coordinator Map](#) for additional details. Thank you for your continued support of KHIE and its services!

Be among the first to view the Interim Portal!

Provide your information to receive an email when KHIE's system is available again.
